
Syria Denounces Israeli Air Raid on Damascus Military Airport

13/01/2017

Damascus, Jan 13 (Prensa Latina) Israeli war planes reportedly attacked last night a military airport in the outskirts of Damascus, the Syrian capital.

A report by the local Sama TV channel shows an intense fire in the area following several explosions caused by rockets, while ambulances and rescue vehicles were arriving at the site.

There've been reports on human loss, and the General Command of the Syrian Forces warned the Zionist regime of likely consequences for its actions.
