
Various Actors Points of View on Israel

18/08/2014

Richard Gere: Arabs are a burden on the world and should be annihilated.

Sean Connery: We are talking from the point of strength, what if we were the weak ones?

Mel Gibson: Zionists are the source of destruction, I wish I can fight against them.

Tom Cruise: The Arabs are the source of terrorism, they don't spare anyone without attacking them. I hope that Israel destroys all of them.

Anthony Hopkins: Israel means war and destruction and we Americans are behind this war and I am ashamed of being American.

Al Pacino: Take a look at Israel's history and you would know who the terrorist is.

Dustin Hoffman: Humanity seized to exist when Israel was established.

Ralph Fiennes: We are now living in a jungle where the strong eats the weak. We are not better than the Arabs to despise them.

Wil Smith: Both sides are wrong and the killing must be stopped.

George Clooney: Bush, Sharon, Blair and Rice are names that history will damn.

Angelina Jolie: Arabs and Muslims are not terrorists. The world should unite against Israel.
