Terrorism is “Made in the USA”. The “Global War on Terrorism” is a Fabrication, A Big Lie

20/05/2015

*Prominent academic and author Dr Michel Chossudovsky warned that the so-called war on terrorism is a front to propagate America's global hegemony and create a New World Order.*

*Dr Chossudovsky said terrorism is made in the US and that terrorists are not the product of the Muslim world.*

According to him, the US global war on terrorism was used to enact anti-terrorism laws that demonised Muslims in the Western world and created Islamophobia.

Elaborating on his argument, Dr Chossudovsky said that NATO was responsible for recruiting members of the Islamic state while Israel is funding “global jihad elements inside Syria”.

Dr Chossudovsky, who is also the founder of the Centre for Research and Globalisation, further emphasised that the global war on terrorism is a fabrication, a big lie and a crime against humanity.

Echoing Dr Chossudovsky's arguments, Malaysia's prominent political scientist, Islamic reformist and activist Dr Chandra Muzaffar said that the US has always manipulated religion to further its global hegemony on sovereign states.
