Cuba Cruise by Celestyal Cruises has announced a new all-inclusive cruise program featuring an unlimited beverage package and shore excursions that showcase the real Cuba.

A selection of shore excursions at each port is available to passengers of all ages and tastes, from cultural walking tours to snorkelling and hiking. Guests embarking from Havana can experience the following shore excursions as part of the all-inclusive price of the cruise. Prices start from €483 per person based on two sharing an inside cabin on a cruise-only basis.
