
Phil Collins Sets Release Dates for 'Hello, I Must Be Going!' and 'Dance Into the Light' Reissues

07/01/2016

Those releases, scheduled for Feb. 26, extend Collins' Take a Look at Me Now series, which finds him adding demos and live tracks to remasters of his solo LPs while recreating their original cover art with current photos. According to the press release announcing the scheduling for the Hello, I Must Be Going! and Dance Into the Light reissues, "his remaining four solo studio albums will also be released in the same format in the coming months."

As with Face Value and Both Sides, the expanded Hello, I Must Be Going! and Dance Into the Light will be available on CD and digital formats as well as on 180-gram vinyl. Take a look at the complete track listings for both titles below.
