

Matrix creators the Wachowski siblings both transgender

---

09/03/2016

Variety reported that the Matrix co-creator, now known as Lilly, announced the news in a statement on Tuesday.

Lilly's sister and directing partner, Lana, came out as transgender in the early 2000s.

Lilly told [Windy City News](#) she felt under pressure from UK tabloid *The Daily Mail* and thought she might be outed.

Lilly Wachowski before her transition, with sister Lana Wachowski, who transitioned some years ago. FRED PROUSER
