
Cuban Expert Highlights Exclusive Quality of Cuban Rum

24/06/2016

Havana, Jun 24 (Prensa Latina) Rum Master Asbel Morales highlighted today the exclusive quality of the Cuban spirituous drinks specially the iconic line of Havana Club International SA.

Asbel is part of an exclusive team of 8 Rum Master Blenders, including a woman, which treasures the most important recipes of Cuban light rums, famous in the world.

He said that although he is speaking on behalf of Havana Club brand, like his colleagues, they represent the Cuban rum, as this product is distinguished by its history.

Morales outlined that the quality of Cuban rums is based on climate and soil, the processes of blending and aging, and the wisdom of master rum blenders.
