
Historic Leader of Cuban Revolution, Fidel Castro, Dies

28/11/2016

The historic leader of the Cuban Revolution, Fidel Castro, passed away on Friday night at the age of 90.

The sad news was made public by President Raul Castro on Cuban television.

The head of State explained that the corpse of the historic leader of the Cuban Revolution will be cremated fulfilling his own will.

The president added that in the next few hours, information will be provided about his exequies.
